HOW THE FESTIVAL WORKS

- You must wear your armband to enter venues (not carry it).
- Your armband must be secure and not too loose.
- Your armband cannot be replaced if lost.
- Venues are first come first served.
- Doors to venues open 30 minutes before show time.
- Everyone must have an armband to enter a venue regardless of age (children/babies must have an armband).
- There are no child discounts.
- Armband allows patron access to all shows that are part of the festival (including the Sunday afternoon Shawn Mullins show) but does not guarantee access to all the shows. Show up early if it's a show you really want to see.
- Venues are not cleared between shows.
